Beginning April 1, 2013, the city of Cloquet will have a one half of one percent sales and use tax that will be administered by the Minnesota Department of Revenue. The tax will be used to pay for the following projects:

- (1) construction and completion of park improvement projects including St. Louis River riverfront improvements; Veteran's Park construction and improvements; improvements to the Hilltop Park soccer complex and Braun Park baseball complex; capital equipment and building grounds improvements at the Pine Valley/Pine Valley Hockey Arena/Cloquet Area Recreation Center; and development of pedestrian trails within the city;
- (2) extension of utilities and the construction of all improvements associated with the development of property adjacent to Highway 33 and Interstate Highway 35, including payment of all debt service on bonds issued for these; and
- (3) engineering and construction of infrastructure improvements, including, but not limited to, storm sewer, sanitary sewer, and water in areas identified as part of the city's comprehensive land use plan.

The sales tax applies to retail sales made within the city limits of Cloquet. The use tax applies to taxable items used in Cloquet if the local sales tax was not paid. The tax applies to the same items that are taxable under the Minnesota sales and use tax law.

### Vehicle sales

The Cloquet sales and use tax does not apply to sales of motor vehicles registered for road use.

Fact Sheet 164, Local Sales and Use Taxes, contains more information about local taxes and is available on our website.

- If you file over the internet, you may register Cloquet when you file your April 2013 sales and use tax return (before you enter the figure). A drop-down menu will become active. Use the tax type drop-down box and select Cloquet Sales. If you are a single location filer, it will assume that you want to add this for location "001." If you have multiple locations, type in the appropriate location number. Enter an amount in the local tax line you added. rates are identical. It is based on your cost of taxable purchases. Common examples of when you owe use tax are:

- You buy items on the internet, by phone, or from any business and the seller doesn't charge Cloquet sales tax and you use the item for business or personal use in Cloquet.
- You buy items for resale at your business, and then remove some of the items from inventory for business or personal use in Cloquet.

## Calculating the tax

To calculate the tax, combine the state sales tax rate (currently 6.875 percent) with the Cloquet tax rate (0.5 percent) and apply the combined rate (7.375 percent) to the sales price and round to the nearest full cent. A 7.375 percent rate chart is available on our website. Paper rate charts are available upon request.

Charge Cloquet sales tax to customers from in or outside Cloquet who buy taxable items or services in Cloquet for business or personal use, even if these items are taken out of Cloquet.

### **Exemption Certificates**

If your customer gives you a fully completed exemption certificate for state sales tax, also use that certificate as proof of exemption from the Cloquet sales tax.

### **Local Governments**

Local governments are not required to pay local general sales taxes. Local governments include cities, towns, counties, instrumentalities, political subdivisions, commissions, special districts and government boards. No exemption certificate is necessary. However, state sales tax generally applies.
