

Dakota County 0.25 Percent Transit Sales And Use Tax and \$20 Vehicle Excise Tax

Starting October 1, 2017, Dakota County will have a 0.25 percent transit sales and use tax and a \$20 vehicle excise tax. The Minnesota Department of Revenue will administer these taxes. Revenues will fund the projects identified in the Dakota County Transportation Sales and Use Tax Transportation Improvement Program - Eligible Projects 2018-2027 in Resolution 17-364.

This 0.25 percent transit sales tax applies to retail sales made within Dakota County. The transit use tax applies to taxable items used in the County if the local sales tax was not paid.

A \$20 Transit vehicle excise tax applies to sales of motor vehicles registered for road use. This excise tax must be collected by any person in the business of selling new or used motor vehicles at retail when the sale occurs in Dakota County.

Use tax

Dakota County transit use tax applies when you are located in the County and you buy items or services without paying the Dakota County transit sales tax.

Use tax is similar to sales tax and the rates are identical. It is based on your cost of taxable purchases. Common examples of when you owe use tax are when you:

- Buy items on the Internet, by phone, or from any business for use in Dakota County and the seller doesn't charge the local tax.
- Buy items for resale at your business in Dakota County and then remove some of the items from inventory for business or personal use.

Calculating the tax

To calculate the total tax due on a purchase:

1. Add the 6.875 percent state sales tax rate and the 0.25 percent Dakota County transit rate.
2. Apply the combined 7.125 percent rate, plus any other local taxes that apply, to the sales price.

Refer to [Fact Sheet #164S](#), *Special Local Taxes*, for a list of special taxes that might apply.

3. Round the total to the nearest full cent.

You can download a 7.125 percent rate chart from our website or call us to request a paper rate chart.

When to charge the tax
