

Washington County Transit Sales and Use Tax Rate Increase To 0.5%

Starting October 1, 2021, the Washington County transit sales and use tax will be increasing to 0.5%. (The previous sales and use tax rate was 0.25%). Department of Revenue will administer this tax. Revenues will fund the projects identified in the Washington County Resolution No. 2021-072.

The 0.5% transit sales tax applies to retail sales made into Washington County. The transit use tax applies to taxable items used in Washington County if the local sales tax was not paid.

A \$20 Transit vehicle excise tax applies to sales of motor vehicles registered for road use. This excise tax must be collected by any person in the business of selling new or used motor vehicles at retail when the sale occurs in Washington County.
