

Minnesota Child Tax Credit: Helping families and children!

The Child Tax Credit delivers tax relief to individuals with children. The credit can reduce the tax you owe and provide you with a tax refund.

Am I eligible for the Child Tax Credit?

Generally, you must meet these requirements to claim the Child Tax Credit.

- You were a full-year or part-year resident of Minnesota in 2023 (with certain exceptions for military members).
- You are not a dependent of another person.
- You have one or more “qualifying children” as defined by the IRS.

As a Tribal member, you may qualify for the credit and receive a refund, even if Minnesota does not tax you on your income because you live and work on your home reservation.

How much is it?

The maximum credit is \$1,750 per child under age 18, with no limit on the number of children. The credit is phased out if your income is over \$35,000 for Married Filing Jointly or over \$29,500 for other filers. It is reduced by 12% of earned income or adjusted gross income, whichever is greater.

How do I claim it?

Claim the Child Tax Credit using Schedule M1CWFC, *Minnesota Child and Working Family Credits*.
